Ingetics LLC. Paperback. Book Condition: New. Paperback. 186 pages. Dimensions: 8.4in. x 5.3in. x 0.4in. THIS BOOK HAS BEEN 1 (FOR SEVERAL DAYS) IN SALES AND DOWNLOADS IN ITS RESPECTIVE CATEGORY (SEX) -- THANK YOU EVERYONE WHOS PURCHASED AND SUPPORTED US! Men -- Too tired to make it go at night (or anytime) Feel beat up Have NO libido and no interest Are you Sexhausted! You know you MUST have LOW testosterone but the docs keep telling you youre WRONG!!! Find out why and how to make it all better. Dr. Purser uses his 30 years practice experience and huge knowledge base to engagingly detail how you (the patient or the physician) can properly figure out that low testosterone, zero libido (sex drive) and low sperm count, then how to properly (according to research and the medical literature) treat both PLUS get your libido running on high again (like when you were 25 and healthy). Youll quickly see why hes ALWAYS voted as the most popular speaker at the many conferences at which he speaks each year! He gives the perspective of someone whos done years of endocrinology research, written tons of books on all of this, and been involved in three decades of practice. As a patient you KNOW you want more natural options considered first (something most doctors dont seem to have a clue about), and Dr. Purser details those options (and EXACTLY how to discover what youre low in) and references the literature as to why these must be looked at. His info is up-to-date (even cutting edge), easy to follow (even for physicians) (: -), and gets to the real root of the problem -- youll see why he also takes care of a LOT of physicians. He leaves no stone unturned. Have your doctor (and you)...
