## A Refresher Course in Mathematics

By F. J. Camm

Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 219 x 137 mm.

Language: English . Brand New Book. Readers wishing to renew and extend their acquaintance with a variety of branches of mathematics will find this volume a practical companion. Geared toward those who already possess some familiarity with its subjects, the easy-to-follow explanations and straightforward tone make this book highly accessible. The contents are arranged logically and in order of difficulty: fractions, decimals, square and cube root, the metric system, algebra, quadratic and cubic equations, graphs, and the calculus are among the topics. Explanations of mathematical principles are followed by worked examples, and the book includes a convenient selection of tables that cover the trigonometrical functions and logarithms necessary for completing some of the examples.

### Reviews

*A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.*

-- **Dr. Alberta Schmidt V**

*The ideal ebook i possibly go through. It generally does not cost an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
