*Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Oxford University Press, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. A book behaving badly! From award-winning Richard Byrne, author of *This Book Just Ate My Dog* (shortlisted for the Children's Book Award) comes another wonderfully inventive book starring Ben and Bella. It's a funny and original high-concept picture book where the book itself interferes with what happens on the page. Ben has a remote-controlled fire engine but when he presses the buttons on the remote the engine doesn't turn or spin or sound its siren. While Ben and Bella scratch their heads over this, strange things are happening to Bella's dog. It's only when Ben tries the VOICE button that Bella's dog is able to speak, warning them that *This Book is Out of Control!* Readers get the chance to press the buttons and witness the hilarious slapstick results every time the page is turned. It's an interactive experience for the reader who ultimately has to help in restoring normality.
