FABER FABER, United Kingdom, 2006. Paperback. Condition: New. Main. Language: N/A. Brand New Book. In The Book of Whispers, Julie O Callaghan has written a book to delight young teenagers and adults alike. Told through the whispering voice of a witty, likeable, mischievous young girl, the poems paint a three dimensional account of adolescent life at school, at home, or in a best-friend s bedroom. Without once raising their voice, the book s characters and stories gossip wickedly to one another about teachers, history lessons, pets, parents and pimples. Whispers in the closet, whispers at a slumber party, horse whispers, whispers from losing voice: Julie O Callaghan - an award winning adult poet - has created an appealing PSST! for young lives. Charming and intelligent, The Book of Whispers is a book for every classroom and playground.
