

A Dictionary of Omens and Superstitions: The Guide To Premonitions

Filesize: 2.66 MB

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

(Prof. Vanessa Smitham V)
