Little Women s Secrets: Natural And Wholly Homemade Recipes For Body Care Book#1: Essential Oils: 30 Fragrant Summer Body Spray Recipes The origin of most of the essential oils is plants which are aromatic in nature. These plants are having certain types of molecules which are volatile in nature and these molecules then come out with unique fragrance which is an important part of all the aromatic essential oils. That is the reason they are used in making deodorants and body sprays as well. Book#2: Essential Oils: 35 Recipes For Your Beauty + Aromatherapy For Weight Loss In this book, the major focus is to enhance the awareness about the utility of essential oils. These important natural agents serve as the best natural products for catering a number of health related issues. The best quality in these essential oils is that they are free from any kind of artificial addition, thus making them highly useful as well as least impure, at the same time. Being natural, these essential oils possess the highest level of effectiveness in a number of...
