

A Bad Day: Part 1 (Paperback)

By Thomas DiMauro

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever had a day when nothing went right? September 2nd was that day for everyone on the planet. An asteroid suddenly and inexplicably changes course, headed for Earth, and astronomer David Hadley from Tucson can't figure out why. All he knows is we have mere hours to come up with a plan. Across the country, Turnello D Angelo's continuing apocalyptic dreams have compelled him to secretly prepare for a disaster he doesn't know when or if it'll happen. His best friend Jim Mulrooney doesn't believe the predictions. In fact he is worried Turnello may be losing his mind again. When the asteroid hits, David finds himself trapped at the observatory with a creepy stranger from the desert ranting about an alien invasion. Jim is over a hundred miles from home on a business trip and though Turnello thinks he's prepared, he never expected to deal with zombies. Will the end of life as we know it begin with one bad day?.
