We all assume that we will be ok, but the sad reality is, that you just dont know when you will be out of work. Having no back-up plan can leave you wide open to all sorts of problems. Over the last 10 years there has been recession after recession, we just dont know how safe we are or how at risk. This book is based on my personal experience of not having a back-up plan and finding myself out of work, for over six months! I describe how you can put yourself in the best possible position to not be in a financial mess should the worse happen. Plan Bs have been talked about a lot over the last twenty plus years but have you ever take it seriously or set yourself up a back-up plan Today is the day that you need to start your plan B. So get reading this book and safeguard you and your family. Heck, you might even have fun on the way and find yourself a new lease of life. This item ships from La Vergne,TN. Paperback.
