Reviews

It is one of my personal favorite publications. It usually fails to charge an excessive amount. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Atlantic Publishers & Distributors (P) Ltd, 1997. Hardcover. Book Condition: New. Kerala`s development experiments and experiences are of profound significance throughout the globe. This handy Volume is a collection of twelve papers which deals with heterogeneous topics ranging from Panchayati Raj, Municipal Administration, Financial Administration, Electoral Politics and Politics of Development. These papers will help to throw light on the transformation of the State polity during the recent past. Papers can be broadly categorised under three major captions ? Politics of Democracy, Decentralisation and Development. The focus of attention in the first five chapters is on the inestimable impact of the modern political forces ? political parties, interest groups and pressure groups ? on Kerala Polity. Special attention is paid to assess and evaluate the electoral process, voting behaviour, participation of women and weaker sections in its dynamism. Chapters six to eleven depict on the origin, growth and performance of the Civic bodies ? both rural and urban ? on Kerala. This part is of paramount importance because of the adoption of the 73rd and 74th Constitution Amendment Acts by the Centre and its ratification by the State. The central theme of discussion in the concluding chapter is to evaluate the various developmental measures carried out by the state for the upliftment of weaker sections of Kerala. Printed Pages: 172.
