Brand New Book ***** Print on Demand *****.Dear You, You may not realize this, but you are holding sacred pieces of my soul in your hands. I confess I m somewhat nervous afraid to be so open, to peel the layers of my heart aside for you. Each page of this book is a part of the past four years of my life-my loves, heartaches mistakes, my fears joys, insights observations my search for the Divine. I need you to understand something important: I did this for you. I want to be your unspoken voice, the courageous one who speaks the universal language of the unsayable with a quaver a yell. I know that life is sometimes unbearable that love is not always what you wish it would be. Change is often difficult. Growth can be painful. But I also know that we can get through this. That we will arrive on the other side intact stronger. That everything will be washed clean beautiful after the storms, if we give hope-ourselves-a chance. I have written down my experience for you. I think that we are all essentially the same in that we all search for equilibrium, happiness meaning. I hope I have given you a voice. Love light. Always.
