Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

TFH Publications,U.S., United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. This comprehensive guide discusses the care, breeding, and natural history of these popular pets and covers all the species and subspecies of box turtles present in the reptile hobby, including North American box turtles and Asian box turtles of the genus Cuora. The author, an expert on box turtles, who has studied them, bred them in captivity, and rehabilitated injured box turtles for release back into nature, provides in-depth discussion of hibernation- a critical topic for the health of these creatures.
