MENTION of the Saints of the Catholic Church very frequently occurs both in general reading and as having given their names to churches, towns, villages and topographical features. The object of this compilation is to enable the personage referred to readily to be identified. Nothing more is attempted in this volume. Of a certain number of the Saints detailed Lives have been published in English. Of many more full accounts in other languages, particularly in French and Italian, are easily accessible. Again, there are several good and reliable Series of Lives of the more prominent Saints. The best known of these to Englishspeaking people is Alban Butlers Lives of the Saints, an eighteenth century work which has been many times reprinted. In no language, however, does there exist any exhaustive work of the kind; nor in the nature of things can there be. The nearest approach thereto we have is the Latin Acta Sanctorum of the Bollandists, a body of Jesuit Fathers gathered together in Belgium for the special purpose of carefully sifting and reproducing all documents bearing...
