Pearson, 2018. Loose-leaf. Condition: New. 10th ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Books a la Carte editions that include MyLab(TM) or Mastering(TM), several versions may exist for each title - including customized versions for individual schools - and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering products. For courses in Beginning Algebra. Making math clear The Angel/Runde author team has developed a text and MyLab(TM) program that uses short, concise sentences and clearly laid-out examples to ensure that all students develop a true understanding of algebra. In this revision, the authors retain this hallmark clarity of language to build the foundation of understanding algebra, while revamping exercise sets and creating new MyLab Math resources to give students a comprehensive learning and practice environment. Angel/Runde offers market-leading content written by author-educators, tightly integrated with the #1 choice in digital learning - MyLab Math. Bringing the authors voice and approach into the MyLab course gives students the clarity, motivation, and understanding they need to master algebra. Also available with MyLab Math MyLab(TM) is the teaching and learning platform that empowers you to reach every student. By combining trusted authors content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. Note You...
