MOLECULAR CHARACTERIZATION OF C 4-H ENZYME

Ashish Kumar
Molecular Characterization
of C 4-H Enzyme

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | From the literature study we concluded that the plant *Zingiber officinale* has a wide variety of medicinal properties. Due to huge application of the plant in the field of medicine it fascinates attention of researchers. Plants synthesize various phenolic compound, mainly gingerols are synthesized from the Phenylpropanoid biosynthetic pathway. There is a strong correlation between C-4-H and biosynthesis of phenolic compounds. Until now, there is no report on the sequencing of the...

Reviews

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

-- **Prof. Erin Larson I**

This is an incredible book that I have ever read through. It can be rally exciting throug reading through time period. I discovered this publication from my i and dad recommended this pdf to find out.
