

Family Therapy: A Constructive Framework (Hardback)

By Roger Lowe

SAGE Publications Inc, United States, 2004. Hardback. Condition: New. Language: English . Brand New Book. `I liked this book. Though I am not a family therapist, like most mental health nurses I try to bear in mind the family relationships of individuals I am working with. This is an enlightening text which not only offer a framework with which we can better understand the severe psychopathologies seen in forensic work, but also gives examples of how it may be used therapeutically - Mental Health Practice `I think this is an important book that crystallises complex theory into a user-friendly model, using case material and discussions from the therapeutic community. A must have for counsellors working with families, this will form part of the recommended reading on the Family Counselling course - Barbara McKay, Relate Head of Training, Relate News `The book provides a good overview of a number of recent approaches to working with families as well as how the author thinks about them - Stephen Bray, Nurturing Potential `Roger Lowe achieves the almost impossible task of bringing together various theories, techniques and case examples in clear and accessible ways. Readers of all disciplines, from front-line hard-pressed practitioners to students...
