BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 56 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a legislative requirement, GAO provided information on educating Department of Defense (DOD) dependents overseas, focusing on: (1) legislation that establishes eligibility and authorizes funding for students to enroll in DOD Dependents Schools (DODDS) as space becomes available; (2) the number of space-available students enrolled and their locations; and (3) the circumstances surrounding high space-available enrollments in some schools. GAO found that: (1) the Secretary of Defense is authorized to establish enrollment eligibility for space-available students and has categorized space-available students as either tuition-paying or tuition-free; (2) tuition-paying students can be either dependents of U. S. government agency sponsors or retired military and foreign national sponsors; (3) tuition-free, space-available students are the dependents of DOD sponsors who are not authorized government transportation and housing overseas for their dependents; (4) DOD is required to only include the cost of educating space-required and tuition-paying students in its budget request, but DODDS has not followed these instructions; (5) although tuition-free, space-available students only represent about 3 percent of the DODDS student population, the percentage is much higher in Korea; (6) in school year 1994-1995, space-available enrollments represented about 6 percent of total DODDS enrollment, almost half of which were tuition-free; and (7) although 75 percent of DODDS schools had space-available enrollments of 5 percent or less, four schools had enrollments of over 65 percent. This item ships from La Vergne, TN. Paperback.
