THE RELIGIOUS QUESTION IN MEXICO (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Religious Question in Mexico The question of the Church in Mexico has not been well understood in the United States, because the conditions of the Mexican Catholic Church differ vastly from those of the Catholic Church in the United States. In Mexico, ninety-nine per cent of the population profess the Roman Catholic faith, and, therefore, the influence of the Catholic clergy in religious matters has no counterbalance of any sort. In the United States there are other Churches which counterbalance the influence of the Catholic Church. On the other hand, the Catholic Church in the United States does not hold unlimited sway over society, nor can it attain uncontrollable political power; the very education of the American people has prevented Rome from exercising so far the influence which it exercises in other countries. Before the war of the Reform (1856 to 1859), the Catholic Church was the strongest temporal power existing in Mexico, and the laws of the Reform enacted during that period all tended to deprive the Church of its power and bring about the absolute independence of Church and State. The laws of the Reform are a collection of rules passed previous to 1860, with the aim of depriving the Catholic Church of its temporal power; and these rules have remained effective, because the conditions which then demanded their enactment still prevail and still make it necessary that the laws should remain in force. The aim of the Revolution of Ayutla, from 1856 to 1859, was to deprive the Church of economic power and of its social influence, and it had to place the Church in a condition which, apparently, is disadvantageous and unjust, but which...
