Reviews

It in a of the best ebook. It is one of the most incredible pdf i actually have go through. I am just easily will get a satisfaction of looking at a composed book.

(Elisha McCullough)

WRONGLY CHARGED: A LOOK AT THE LEGAL SYSTEM

Prominent Books, LLC. Paperback. Condition: New. 202 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. Florida locksmith David Merkatz did not intend to break the law; he was only trying to keep his head above water in an increasingly-competitive business environment. After being advised by three attorneys that his proposed marketing strategy was legal, David was shocked to learn that he and two men working for him were under criminal investigation. When he is charged with money laundering and organized scheme to defraud-felonies that carry a possible twenty-year prison sentence-he is truly terrified. Determined to fight for his rights, David began researching the loopholes in the American legal system. In the process, he learned about the thousands of people who have been charged, convicted, and sometimes put to death for crimes they didnt commit. Even those who were cleared suffered personally, professionally and financially. Most disturbingly, he found that people are still often treated as guilty until proven innocent and that the court of public opinion can be tougher than a judge. His ordeal inspired him to help others who find themselves on the wrong side of the law. This book will tell you: What to do if youre arrested (the booking and arraignment process) Why everyone should carry a bail bondsmans card in their wallets The pros and cons of a plea bargain How to handle a traffic stop How to appeal a criminal conviction or civil judgment How to salvage your reputation (Seal and Expungement) And much more! The information contained in Wrongly Charged is based on Florida and federal law; however, it can help people in every state become aware of their rights and assist in their own defenses. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
