Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Learn How To Maximize Your Grades With Effective Note Taking Skills! All top students are superior note takers. Read this guide to become one of them! If you want to be the best student you can be and get the grades you deserve you must learn effective note taking skills. Whether you are gathering information from a lecture, presentation or textbook the very act of recording it through note taking forces your mind to work and absorb the material. In fact in a study done by Michael Howe it was found that a student was seven times more likely to recall the information being taught if they took notes. The problem though is that most students never learn effective note taking skills in school. If you feel this applies to you this simple guide to note taking is for you. Within its pages you will find simple and straightforward lessons that will allow you to master this skill in no time. The benefits you can expect by doing this include: You will learn what notes to take to succeed Learn how to keep up with the teacher in order to maximize your learning You will learn how to engage in the note taking process in an active and productive manner When you learn to become a better note taker you will become a better student and you will maximize your learning Note Taking Skills For Everyone will help you do this and more. Read this book and unleash your true potential today!.
