Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you are considering investing and day trading as a business and have zero experience or information yet and you are searching around online at the booksellers this book is specifically written for you. The information in this book and all the books in my upcoming beginner investor and trader series on day trading and swing trading for brand new traders, have been written to save a brand new trader who has no experience or information a huge amount of learning curve time, and hopefully a lot of their hard earned money from buying courses, books and indicators they don t need and will not help them make money in the live financial markets. Make this the first book you buy versus the fifth. What is in this book is some of the most important information you will ever get in your life on live financial market trading if you want to win, be successful and make money every day in the live financial markets and be able to do it right away. If you have zero experience I encourage you to do and study the things this book suggests if you would like to make money right away. Everything in this book is based on how the market works in reality and what makes price move which is supply and demand. There is a certain progression every brand new trader must go through to be able to drive their own money train. How you create your own long term wealth depends on you and you only. No one is making you start your new trading business. You owe it to yourself to do it the right way the first...
