Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What if Donald Trump traveled back in time to have filthy sex with Adolf Hitler? And they fell in love, bonding over their micropenises? This book is gross and immature. But, a current headline on CNN is Trump: China is Raping U.S. This book is far less toxic for your brain than watching the 2016 US Presidential Election news. It won't take you long to read, you might laugh, and you'll be cleansing your brain of Trump's nonsensical propaganda. And each download will piss him off. P.S. You can read the Kindle edition on your phone, tablet or computer, by downloading the Kindle app.
