It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

YOUR THOUGHTS CREATE YOUR WORLD: LEARN HOW TO CREATE THE LIFE YOU WANT BY TAKING CHARGE OF YOUR SELF-TALK. (PAPERBACK)

Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Author Don Steckdaub has taken concepts that have been discussed by philosophers, theologians, teachers, and thinkers as far back as we have recorded history. The power of thought is universally accepted as a creative force in molding our view of our internal and external worlds. We are encouraged through affirmations, constructive prayer, meditation, education, counseling, twelve-step programs to change the way we think about difficult areas in our lives. When we change our thinking, we change our experience. This book will give readers a powerful, effective, proven, and simple way to change the experience they are having with any situation or circumstance. The model was first presented on videotape several years ago and has been used in the treatment of alcohol and drug addiction, codependency, anger management, marital issues, domestic violence, and parenting. This book will be helpful to anyone willing to take charge of their own life and reprogram their self-talk.
