Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.London has lost nothing in power. He has gained in sweetness. There is something brutally strong in Martin Eden. Then there is a gentler background. Someone says Martin is London s self. Maybe in part. Maybe wholly. Martin Eden is concretely explicit and yet potently symbolic. Here was a man who undertook to civilize himself and only half succeeded. And here also a woman who undertook to uncivilize herself, only half succeeded. How the spirit grew in Martin, and how the flesh grew in Ruth, will bear looked at frankly from both sides. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
