It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Vintage Crime/Black Lizard, United States, 2002. Paperback. Book Condition: New. Reprint. 205 x 130 mm. Language: English . Brand New Book. Thanksgiving is a moving portrait of the profound effects of love when all that seems to remain is loss and grief. Unhinged by his wife's unexpected death, Anthony, a middle-aged Seattle journalist, becomes obsessed with her past. He drives through the Nevada desert to locate her ex-husband looking for some unnamable solace. But, what awaits him is a bizarre and violent encounter with the past that entangles Anthony with his half-estranged stepchildren, the police, and his own disquieted mind and that only makes Lucy's ghostly presence seem all the more real. The crisp dialogue, shadowy atmosphere, and sharp pacing of a master crime writer work to great effect in this arresting story that toys with the precipice of insanity and the extremes of passion and loss. This is a splendid shadow play on the enduring human mystery of love.
