Josie Riviera, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Noelle Wentworth doesn't mind getting away from St. Augustine to fill in at her ailing aunt's candle shop. A few weeks in Snowing Rock will help her get past the humiliating memory lapse that ruined an important piano concert-and, ultimately, her marriage to her overbearing duet partner. She's mentally rehearsing for her comeback performance when the bus she's riding in slides off an icy mountain road. And one deep, calming voice emerges from the confusion to slow her racing heart-right before his ruggedly handsome face kicks it back into allegro. Gabe Waters is usually prepared for anything-as a professional stuntman, his life depends on it-but nothing prepared him for Noelle, the unattainable high school crush whose bravery saved him from more than just a bully's flying fist. There's no hint she recognizes him, but Gabe knows that face, those eyes.and he sees something that wasn't there before. Distrust and apprehension. Their unexpected attraction kindles something as warm and sweet as a holiday candle. But the weight of their pasts could turn the promise of love to ashes.
