

Star Trek: The Next Generation: Time #1: A Time to (Paperback)

Filesize: 1.24 MB

Reviews

This ebook may be worth a go through, and superior to other. I could comprehend every thing out of this published e.pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Damien Schuster PhD)

STAR TREK: THE NEXT GENERATION: TIME #1: A TIME TO (PAPERBACK)

SIMON SCHUSTER, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. On the cusp of their epic battle with Shinzon, many of Captain Jean-Luc Picard s long-time crew were heading for new assignments and new challenges. Among the changes were William Riker s promotion to captain and his new command, Riker s marriage to Counselor Deanna Troi, and Dr. Beverly Crusher s new career at Starfleet Medical. But the story of what set them on a path away from the Starship Enterprise has never been told.UNTIL NOW.The site of one of the Dominion War s fiercest battles, the Rashaanar Sector now contains a vast interstellar graveyard littered with the lifeless hulks of hundreds of devastated starships. The explosive destruction of so many varied warp drives has severely distorted the space-time continuum in this region, resulting in dangerous unleashed energies and bizarre gravitational anomalies.The Enterprise has been assigned to patrol the perimeter of the danger zone, while other vessels carry out the difficult and highly hazardous task of retrieving the bodies of the dead from the wrecked warships.To some alien races, the former battleground is hallowed space. To others, including the rapacious Androssi, it is a scavenger s paradise, ripe for salvage. None expect this ship s graveyard to hold a deadly secret that will force the android Data to make a heart-wrenching decision about the path his life will take -- and that will endanger not only the Enterprise, but Picard s future in Starfleet.
