LIFE SEQUENCES: LIFE SEQUENCES (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Written for all age groups. Life Sequences is a fable about dreams, choices and happiness in life. It is a story of three group characters who had to make difficult but necessary choices to begin a journey by choosing a sequence between knowledge; wisdom; or wealth. Their fateful journey to find the guardian of their dying kingdom (The Princess) is full of insights about dreams, choices, and happiness that are reflected in our real lives. The three groups (metaphors for professionals , intellectuals , and entrepreneurs) disagreed at the beginning of the journey and parted ways in search for immunity, safety, and glitters respectively. The professionals seek immunity first; the intellectuals seek safety first; while the entrepreneurs seek glitters first (all in the epic journey to find the Princess - a symbol of happiness). In the end who deserved the ultimate prize (to marry The Princess) and be happy forever? The professional possessing knowledge? the intellectual possessing wisdom? or the entrepreneur possessing wealth?.
