Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Ransom Press International, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Not since the Left Behind series has there been a more compelling and eye-opening novel. Taut, tense, and totally unpredictable, *When Angels Cry* is a powerful love story not only for the heart and soul, but one for the ages-especially the age to come. - Julie Lessman, award-winning author of the *Daughters of Boston*, *Winds of Change*, and *Isle of Hope* series. But the woman broke his heart once and is now involved in a fanatical cult. Even being seen with her could damage his career. Still, he cannot stay away, and the more time he spends with her, the more he begins to doubt everything he believes. Angelica is a seer. Angels watch over the couple, protecting and hoping they will make the right choices. But the angels are limited in what they can do as the end of the age comes to a close and the spiritual battles...
