## A ROUGH DELIVERANCE: COLLECTED POEMS 1983-2013 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How the night parades. How wretched all the milky stars a million years erupting, the dry cicadas, silent, sliding among leaves, this glass I said I wouldn't have. Here's to a rough deliverance, the fire in the chest. A collection of poems from the author of *Holding Breath: A Memoir of AIDS Wildfire Days*, *A Rough Deliverance* begins with poems the author wrote as an ambitious and conflicted 22-year-old college student just learning to navigate her life on her own, a young woman who wanted nothing more than to be a famous poet, and attended NYU's graduate poetry program in order to try to do that. It closes with poems written by a woman thirty years older--in some ways very different, in some ways very much the same, perhaps wiser and perhaps not. She is not a famous poet, but she is someone who has loved deeply, witnessed the ravages of an epidemic from the front lines, grieved, traveled extensively, made terrible choices and perfect ones, over-indulged and abstained, raised a wonderful son, wrestled with anger and shame about the past and fear of what's to come, and finally learned to see all of it as absolutely worthwhile. This is a collection of poems that documents a ragged, imperfect, and ultimately joyful life lived one deliverance at a time.
