Based on the innovative premise that addiction is not limited to drugs or alcohol, but is truly about the over-the-top, out-of-control lifestyles that have detached Americans from each other and their spiritual Connections (with a capital C ). Dr. Carol Clark looks at addiction as something in and of itself, a condition rather than a substance abuse or behavioral problem. She then offers practical strategies for change that will ground and Connect the readers so they may find happiness and fulfillment in their daily lives. Covering this topic from the addictive process of disconnection - whether from use of technology or gambling, drugs or sex - through recovery and Connection, Clark s strategies provide the tools necessary to create fulfilling and truly intimate relationships in every facet of life by shifting the root of the addictive behavior patterns to a place of clarity and acceptance.
