Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is the best fucking book on transition. Period. Why? Well, I ll tell you: 1. It s a story, because that s how people learn 2. It s funny, sad, exciting, entertaining, and informative 3. It s short and to the point, because you already have a billion things going on and adding a book that s going to take months to read is a waste. 4. I m a knuckle-dragging infantryman. While that means I pepper my stories with profanity, it also means I have some great stories to tell. 5. Because there are enough navy SEAL books out there, we need some Army rep.
