

Communicating Your Competence: A Guide for Non-Native Professionals in the North American Workplace (Paperback)

By Beverly Leach

BookBaby, 2017. Paperback. Condition: New. Language: English . Brand New Book. For professionals who are not native to North America, Communicating Your Competence offers an all-in-one path to connecting American style in business, social, and presentation situations. To improve verbal and non-verbal delivery, highly-focused first-language-driven pronunciation exercises, techniques for subtle shifts in body language, useful colloquialisms, and culturally appropriate patterns of idea expression will help readers communicate their competence and valuable ideas. Scientists, academics, researchers, business managers or other members of a diverse workforce in a global business, or just someone eager to improve career prospects in America. you will learn to communicate to Americans clearly and persuasively. Part I. Verbal Communication Chapter 1: Fixing Your Accent Where It Matters Each native language brings unique challenges to learning English. Chapter 1 will identify the areas that you alone should concentrate on, and not waste time on the problems of others. Chapter 2: Your Troublesome Consonants Vowels Concentrating only on those sounds that are central to the improvement of the individual reader s accent alone, the right small adjustments can produce huge results. Chapter 3: Cultivating the Music of American English Here readers will adjust to the more natural-sounding music of the...
