

The Meaning of Faith and Mental Illness (Paperback)

By Greg Denniston

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a book about mental illness. This is a book about faith. Taken together, this book is about the psychospiritual unity of human being that finds expression in human being's primary character as a maker of meaning. As such, this book can be read as one consumer's attempt to come to terms with his experience of severe mental illness. It can also be read as a small contribution to the emerging perspectives that construct theology from the locale of disability. In this case, theology is rendered from the vantage of the disabling realities of neurochemical disease. Although this book can be regarded somewhat as an essay in pastoral or practical theology influenced by process thought, my hope is that this little piece can benefit several audiences. It is written in hope that students of religion, seminarians, theologians and pastoral care givers will find it to be a personal and professional resource. It is written in hope that students of behavioral health care and mental health professionals can learn from it and use it as a clinical resource. It is written...
