

Natural Reflections (Paperback)

By Willie Johnson

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My first experiences of the natural world were with my grandfather in the woodlands of Appalachia. Those experiences sparked a lifelong curiosity of and connection to nature that set in motion a process of discovery that continues to this day. Johnson invites the reader on a personal journey into the natural world through his and other s explorations of the outdoors. From a dream like winter landscape on an excursion into the Colorado Rockies, to reflections on family and life while paddling a river, Johnson weaves a tapestry of natural, cultural, and personal history. The sun is drying the dew from the goldenrod. A few monarch butterflies flutter by on their last leg in that ancient migration. The monarchs know, by instinct, where they are going, unlike me, a human, who is just beginning to understand where I have been. The old markers no longer point a direction. Each must find his or her own way, and the destination is not as clear as it was before. Johnson s essays range from backpacking with his grandson, to the Lewis...

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
