## SIR JOSHUA REYNOLDS (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The name of Sir Joshua Reynolds holds a place of honor among the world s great portrait painters. To appreciate fully his originative power one must understand the disadvantages under which he worked. His technical training was of the meagrest kind, and all his life he was hampered by ignorance of anatomy. But on the other hand he combined all those peculiar qualities of the artist without which no amount of technical skill can produce great portrait work. He had, in the first place, that indefinable quality of taste, which means so much in portraiture. His was an unerring instinct for poise, drapery, color, and composition. Each of his figures seems to assume naturally an attitude of perfect grace; the draperies fall of their own accord in beautiful lines.
