Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. From the New York Times, USA Today, and Wall Street Journal best-selling author Sandi Lynn, comes a story about true love and what s meant to be. They say young love isn t real. It s only our bodies full of raging hormones and our minds filled with lust that make us think we are in love. I can tell them that they re wrong. Young love is real. It can and it does exist - at least in my 17-year-old life. My name is Claire Montgomery and I come from a family of snobs. Born into wealth, against my will, my family will do just about anything to uphold the perfect Montgomery name. I ruined that for them the day my car broke down on the side of the road and I met the love of my life, Sam Snow. Sam is from Santa Ana and I m from Newport Beach. Even though, I come from a family of wealth, I want nothing to do with any of it. I like the simple things in life, like Sam. My family doesn t approve of him and they try to keep us apart. The last thing I remember is waking up in a hospital with no memory of my life. This is my journey after my accident to figure out who I am and who I was. The road to recovery isn t easy but the one thing that stayed with me after the accident was the soft voice and words that I d never forget. If your love was true and eternal, you will find your way to each other again.
