

## Optimists Die First (Paperback)

By Susin Nielsen

Ember, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Award-winning author Susin Nielsen has written a laugh-out-loud and heartrending novel for fans of Robyn Schneider's *Extraordinary Means* and Cammie McGovern's *Say What You Will*. Beware: Life ahead. Sixteen-year-old Petula de Wilde is anything but wild. A former crafting fiend with a happy life, Petula shut herself off from the world after a family tragedy. She sees danger in all the ordinary things, like crossing the street, a bug bite, or a germy handshake. She knows: life is out to get you. The worst part of her week is her comically lame mandatory art therapy class with a small group of fellow misfits. Then a new boy, Jacob, appears at school and in her therapy group. He seems so normal and confident, though he has a prosthetic arm; and soon he teams up with Petula on a hilarious project, gradually inspiring her to let go of some of her fears. But as the two grow closer, a hidden truth behind why he's in the group threatens to derail them, unless Petula takes a huge risk... Praise: Nielsen writes with sensitivity, empathy, and humor....
