Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We live in a universe of laws, which comprises spiritual and natural laws governed by a system of order. Spiritual law represents the fundamental patterns of nature that God has set in motion to govern the universe. To every spiritual law, there is a natural expression; and to every natural law, there is a spiritual counterpart. They are parallel to each other, and as human beings, we live in the parallel worlds of both. Our Lord Jesus Christ spoke many parables to illustrate spiritual laws by employing physical attributes and elements. In one of those parables, He likened the Word of God to a seed, and the hearts of men to the ground or soil where the seed is planted. Jesus used this parable to explain spiritual photosynthesis, which has a natural expression, whereby planted seeds use water and energy from sunlight to manufacture their food. Photosynthesis is very important to the survival of all living organisms. Without it, there would be no life on planet earth. So, if the Word of God is the seed, and the human heart is the soil,...
