Health Press Limited, United Kingdom, 2004. Paperback. Condition: New. Language: English . Brand New Book. Ankylosing Spondylitis is an insidious disease that is often difficult to diagnose in the early stages but can cause progressive and sometimes severe disability. This handbook, written by international experts, clearly describes the features of ankylosing spondylitis and emphasizes the importance of accurate assessment. It then discusses the evidence regarding the efficacy of established therapeutic options and the more recently developed disease-modifying and disease-controlling antirheumatic agents. Fast Facts - Ankylosing Spondylitis will prove an invaluable and up-to-date guide for primary care physicians and other health workers who wish to improve their knowledge of this important disease area.
