This item is printed on demand - Print on Demand Neuware - Scholarly Research paper from the year 2014 in the subject Computer Science - Theory, grade: 66.2, , course: Bachelor in Technology, language: English, abstract: Algorithms today are in great need, specially the one's having speed-up the process of what they are supposed to do. Making the algorithm run faster, or take up less space while executing is what many coders & designers have tried doing for generations. And the reason is due to the technological advancements in the real-world. We have tried our best to speed-up the process of heap sort, by logically modifying the algorithm. It's just a start, so the positives & negatives are welcome regarding our paper. 12 pp. Englisch.
