Grove Press / Atlantic Monthly Press. Paperback. Book Condition: new. BRAND NEW, Acid Dreams: The Complete Social History of LSD, Martin A. Lee, Few events have had a more profound impact on the social and cultural upheavals of the Sixties than the psychedelic revolution spawned by the spread of LSD. This book for the first time tells the full and astounding story of it hidden till now in secret Government files of the role the mind-altering drug played in our recent turbulent history and the continuing influence it has on our time. The story took a new turn...
