John Axelson, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I met a beautiful woman whose interests lay in the design of destiny, miracles, and me-an average looking man whose naivete had been savaged while working for television news organizations in places like San Salvador and Beirut. Given our divergent views on the nature of our world, this meeting was a predictably bizarre exchange of explanatory experiences during which Bonnie dangled mystical intrigues from her novel-in-progress to secure my help adapting it for the screen. In addition to her clear interest in my personal exploits, her subsequent reluctance to reveal her plot made little sense: in spite of my persistent prodding, by evening's end I knew little more than her story involved a rescue mission of such massive proportion and intricate design that rescuers had to be stealthily recruited and indoctrinated to its methods before they were told what they were up against. Without this preparation, she apologetically explained, the quest would sound like pure fantasy. There was one other mystifying caveat for me; volunteers weren't welcome. In spite of these restrictive conditions, Bonnie flirtatiously cajoled me into role-playing a trainee's development to fulfil what she described as a critical element that was missing in her story. I blithely assumed this was because I articulated my cynicism well, and she recognized that her work needed a grim counterpoint to her Disney-like views. For the next four months we worked closely, occasionally combatively, discussing the supernatural precepts her characters were studying without revealing the mission's ultimate goal. Finally, she made a claim too ridiculous to contemplate, even in jest: Bonnie said she had been contacted by an ancient teaching Spirit who told her that...
