A Step-by-Step Practice Guide for Living More Fully and Freely in the Present Moment with Mindfulness and Loving-Kindness: We all want the same thing. We all want to realize freedom, we all want to discover true peace and happiness by coming to a place where we can live fully and freely in this moment as it is. That's all any of us ever want out of our lives, no matter what our efforts look like on the outside. You need a complete plan if you wish to live more fully and freely in the present moment. And that's why I wrote This Moment. This Moment is for: - Beginners just starting with the practice of mindfulness meditation and whom who don't know exactly where to start. Those who have practiced for some time but are experiencing challenges in their life and practice. -...
