By Louise Barrett Derr

WestBow Press, United States, 2011. Paperback. Book Condition: New. 280 x 210 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Experiencing Bible Science is a lab book for experiencing the science and culture found in Scripture, thus enriching both Bible and science study. Its intended audience is youth, ten to fourteen years old, and anyone young at heart desiring to know more about the science found in the Bible. Activities are designed for independent learning or small groups. The information and activities are appropriate for home-school enrichment, science fair projects, camps, vacation Bible school and other middle school groups. Measurements are in US/Imperial and Metric and the materials needed for the activities can easily be found worldwide. Be skillful in all wisdom, and cunning in knowledge, and understanding science Daniel 1:4. May we all enjoy a lifetime of learning.

### Reviews

*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.*

-- **Estrella Howe DVM**

*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).*
