Brand New Book ***** Print on Demand *****.The key to your abundant life and prosperity is not what you thought it is not what you were taught it is. If you have followed all the rules and teachings of your religious teachers and preachers; or a plethora of secular experts; or the many New Age teachers that abound, and you still experience lack in your life, then I trust this book will give a ray of hope and a new perspective. And no matter WHAT your belief system might be, if there are creditors hounding you; if your vision board is full of pictures of dreams unfulfilled; if your cruse of oil is empty; if you must beg and borrow to get by, then you need this revelation in your life, deeply instilled into your mind and heart.
