

Turn Your Video or PowerPoint Into a PDF or Book: With Black and White Photos (Paperback)

By Gini Graham Scott

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. TURN YOUR VIDEO OR POWERPOINT INTO A PDF OR BOOK features a description of this approach, along with an example of a video, showing how this project was produced. As illustrated, the final book includes video captures, photos, graphics, and text, using the video: Works Better than Drano. The book begins with an explanation of how a video PDF or book might be used, such as offering a free gift from your website or giving it to someone at a meeting or event. Doing so is a great way to get known, build your reputation, and let people who you are RIGHT NOW. This way they can better remember you are and what you do - more than if you just give them a business card or send them to your website. Then, the book describes how this works. It begins with capturing a series of images from your video or PowerPoint. After that, some text explains what this video is about, along with some fun photos and graphics. so you get across your message in a powerful, dynamic...

Reviews

This ebook is really gripping and interesting. It is among the most remarkable pdf we have study. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Cleve Bogan**

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.
