Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Addresses Delivered in 1903 at the Annual Meeting of the American Society for the Extension of University Teaching We go to small centres, in towns like Moorestown, Parkesburg, Milford, Hatboro, Woodstown, Millville. We have centres even in remote country districts, where perhaps a carriage-house is the improvised lecture-room, and farmers and farmers wives are the only auditors. And we have centres in artisan districts where the committee and audience are workingmen and working women. We go to centres where for the first time church divisions are broken down in a common cause. We co-operate with women s clubs, acting at times for the community, as at Oak Lane, West Chester, Media, Lancaster, Asbury Park, Williamsport. We co-operate with schools and colleges, acting also at times for the community, as at Ogontz, Easton, Catonsville, Baltimore, Frederick, Indiana. We co-operate with teachers organizations, as in the immense gatherings of the International Kindergarten Union of this city, and the union meetings at the Normal School of the teachers organizations of Philadelphia. We co operate with that splendid lecture institution, the Brook lyn Institute, -a foundation we should like to parallel in Philadelphia. We co-operate in that vast system of free lectures given by the Board of Education to the people of New York, - some day to have its fellow-system in this city.
