CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 276 pages. Dimensions: 9.0in. x 6.0in. x 0.6in.1986: London. A cultural revolution is upon the population. Money is good. Free Enterprise is the new culture. The Falklands war is over. Margeret Thatcher is Prime Minister with the Conservatives in their second consecutive term in government. House ownership, capitalism, profit are the fashion. The boom of advertising and music videos fill television screens. Mobile phones are in their infancy, are limited and the size of a house brick. The dawn of new media is becoming all powerful. Emerging sub cultures in the capital begin to flourish as the London economy booms. The music of Frankie Goes to Hollywood, The Pet Shop Boys, Madonna, Simple Minds, Duran Duran blare out across the bars and cafes of London. In the dark under cultures that emerge from the shadows, predators feed from the weak to satisfy their desires. A hard drug explosion, the anonymity of a large city concealing the dangers within as inhibitions are lowered. The seeming emergence of a sadistic serial killer luring unwitting victims and using their basic human urges against them calls for extreme measures in response...

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
