## OPINIONS ON AMERICA: A LAYMAN'S VIEW IN LAYMEN'S TERMS (PAPERBACK)

AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sonny's book is a tangle of opinions that are soft, hard, and surreal and sometimes downright to a point of total reality. This book is not for the easy hearted as it sometimes leans in a way that is crushing to one's own personal thoughts about life in general, a God, sex, education, kids and politics. You will find yourself wanting to argue points or let's say just opinions, but that is why it is written to see the real world or the made up world of opinions. It's hard to believe that a lot of news, if not all, is from unnamed sources or is it just opinion. How do we live with a news media that points to the US Constitution to protect itself and then can take a private life and degrade into a point of conviction or professional demise by unnamed sources and opinion? It is a book like this that can bring opinion to question in your life alone.
