Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

UNDER THE WIDE BLUE SKY: ALBERTA STORIES TO READ AND TELL

Red Deer Press, United States, 2005. Paperback. Book Condition: New. Heather Urness (illustrator). 249 x 201 mm. Language: English . Brand New Book. To mark Alberta s Centennial, the Alberta League Encouraging Storytelling has brought together eighteen tales that reflect the diverse experience of Albertans in their province. These stories reflect experiences from longtime residents and recent immigrants, from the aboriginal community and settlers in the province. There are practical jokes and rich gossip-and musings about the very nature of storytelling itself. Most of the stories have never appeared in written form, so the collection is a treasure house of Alberta lore, caught for all time in these pages. Readers will be inspired to collect the bits and pieces of stories from their own lives, to believe in their story enough to tell it to someone, to become the storyteller.
